WHAT PEOPLE ARE SAYING ABOUT US

“ *If I have any questions about international law or arbitration, my first stop is always Jus Mundi. With its collection of over 80,000 documents, you will not find any other source that will provide you with more comprehensive results. Beyond that, Jus Mundi is also a pioneer in dealing with artificial intelligence and legal research.* ”

Kabir Duggal – Adjunct Professor, Columbia Law School; Managing Editor, The American Review of International Arbitration

Access All Data for Thorough Research

Benefit from the most extensive international law and arbitration database fueled by an exclusive network of over 40 institutional partners.

AI-Powered Platform Students Love

Advanced and user-friendly tech designed by lawyers to prepare your students for success in their careers.

Must-Have Secondary Sources

Authoritative publications from ICC, JURIS, IBA, and ICSID integrated into a unified platform.

TRUSTED BY LEADING UNIVERSITIES, GOVERNMENTS, LAW FIRMS & INSTITUTIONS ACROSS THE WORLD
